

KAISER PERMANENTE CHOICE SOLUTION

A CHOICE Administrators® Program

Self-Funding Declaration

Company Name: _____

I attest to the following:

I have chosen or elected to offer one or more Kaiser Permanente Small Business Deductible plans.

I understand that Small Business deductible plans, except designated HRA plans, are sold as stand-alone plans and are not to be used in conjunction with self-funding arrangements, such as wrapping (or self-funding) member expenses either directly or through a third-party administrator (TPA).

My company may make contributions to health savings accounts (HSAs), but not as a member-expense reimbursement mechanism.
