

ARRA COBRA Notices

Ceridian is creating new notices to inform qualified individuals about the COBRA premium reduction to comply with the requirements under the American Recovery and Reinvestment Act of 2009 (ARRA).

Each notice is designed for a particular group of qualified beneficiaries and contains information to help satisfy the new notice provision requirements under ARRA.

Below are links to the DOL's model notices.

[General Notice](#) (full version) is to be sent to those who experienced a qualifying event from September 1, 2008 through December 31, 2009, regardless of the type of qualifying event.

[General Notice](#) (abbreviated version) is to be sent to individuals who experienced a qualifying event on or after September 1, 2008, but who have already elected COBRA coverage, and still have it.

[Alternative Notice](#) is to be sent to persons who became eligible for continuation coverage under a State law.

[Notice in Connection with Extended Election Periods](#) is to be sent to any assistance eligible individual who had a qualifying event at any time from September 1, 2008, through February 16, 2009, and who either did not elect COBRA continuation coverage or who elected it but subsequently discontinued COBRA.

Ceridian is in the process of creating revised notices based on these model notices and will make them available for your viewing next week.
