

Health Savings Account Administration Made Easy.

HSAs and Personal Healthcare Financial Services For You. For Your Employees. Made Easy.

If you are searching for basic or typical account administration for your employees' Health Savings Accounts, you might want to go somewhere else because at HealthEquity, we don't do basic, we do extraordinary.

We call it *Personal Healthcare Financial Services* and no one provides the individual level of service we do for HSAs and their account holders. We specialize in helping you and your employees understand and manage the financial side of healthcare. Our online member portal offers your employees more than just basic HSA administration tools. Find advanced payment capabilities, free investment options, cost & transparency information, health & lifestyle research, and more - all in one place!
