Once it's met, either individually or collectively, the family pays only copayments and coinsurance for the remainder of the calendar year, or until the family out-of-pocket maximum is satisfied.

³The annual out-of-pocket maximum is the limit to the total amount that an individual or family must pay for certain services in a calendar year (as discussed in the *Evidence of Coverage*).

⁴This service is not subject to a deductible.

⁷Prescription drugs are covered in accord with our formulary when prescribed by a Plan physician and obtained at Plan pharmacies. A few drugs have different copayments; please refer to the *Evidence of Coverage* for detailed information about prescription drug copayments.

⁸Visit or day limits do not apply to serious emotional disturbances of children and severe mental illnesses as described in the *Evidence of Coverage*.

*Based on maximum allowable charge for covered services

Payments are based upon the maximum allowable charge for covered services. Maximum allowable charge means the lesser of: the usual, customary, and reasonable charges; or the negotiated rate; or the actual billed charges. The maximum allowable charge **may be** less than the amount actually billed by the provider. Covered persons may be responsible for payment of any amounts in excess of the maximum allowable charge for a covered service.

¹Deductible amounts are combined for services provided by PHCS network and nonparticipating providers. Deductibles do not count toward satisfying the out-of-pocket maximum. Lifetime maximum is \$2 million combined for services provided by PHCS network and nonparticipating providers. This plan carries an embedded deductible. Each family member becomes eligible for benefits after meeting the individual deductible, or when the family deductible is satisfied. A family member can meet the individual annual out-of-pocket maximum before the family out-of-pocket maximum is satisfied.

²The annual out-of-pocket maximum (OOPM) is the limit to the total amount that an individual (self-only) or family must pay for certain services in a calendar year (as discussed in the *Evidence of Coverage* and the *Certificate of Insurance*).

³Covered charges incurred to satisfy the out-of-pocket maximum at the PHCS network level will not be applicable toward satisfaction of the out-of-pocket maximum at the nonparticipating providers level. Likewise, covered charges applied to satisfy the out-of-pocket maximum at the nonparticipating providers level will not be applicable toward satisfaction of the out-of-pocket maximum at the PHCS network level. Covered charges incurred to satisfy the out-of-pocket maximum at the Kaiser Permanente in-network providers level will not be applicable toward satisfaction of the out-of-pocket maximum at the PHCS network or nonparticipating providers level. Covered charges at the PHCS network and nonparticipating providers level will not be applicable toward the satisfaction of the out-of-pocket maximum at the Kaiser Permanente in-network providers level.

⁴Kaiser Permanente Insurance Company (KPIC) pays a maximum of \$400 per procedure for outpatient surgery services from nonparticipating providers.

⁵Scheduled prenatal visits and the first postpartum visit

⁶Well-child care is covered by Kaiser Permanente Plan providers (HMO) only to age 23 months or younger.

⁷Well-child care (ages 0 to 18) is exempt from deductibles from PHCS network providers and includes immunizations.

⁸In accordance with California law, health care plans and insurers are required to offer contract holders and policyholders the option to purchase coverage of infertility treatment (excluding in vitro fertilization). For details regarding this optional coverage, including how you may elect this coverage and the amount of additional rates, please contact your broker or the Account Management Team at 1-800-790-4661.

⁹All outpatient therapies are limited to 60 days per calendar year for services from PHCS network and nonparticipating providers combined.

¹⁰A few drugs have different copayments; please refer to the *Evidence of Coverage* for detailed information about prescription drug copayments. Nonformulary prescriptions that are not covered as an HMO benefit are underwritten by Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc.

¹¹Participating MedImpact pharmacy copayments and deductibles are not subject to, nor do they contribute toward satisfaction of, the calendar-year deductible or the OOPM. Select prescription medications are excluded from coverage. Please consult your participating pharmacy directory for a current list of participating pharmacies.

¹²Care in a skilled nursing facility is limited to 100 days per benefit period.

¹³Kaiser Permanente Insurance Company pays a maximum of \$600 per day combined for all hospital care received from nonparticipating providers, excluding physician, surgeon, and surgical services.

¹⁴Visit or day limits do not apply to serious emotional disturbances of children and severe mental illnesses as described in the *Evidence of Coverage* and the KPIC *Certificate of Insurance*.

¹⁵Please refer to the *Evidence of Coverage* and the *Certificate of Insurance* for more information; most DME is not covered under the HMO (in-network) tier. DME is limited to a combined maximum of \$2,000 per calendar year for services provided by PHCS network and nonparticipating providers, excluding diabetic testing supplies and equipment.

¹⁶Durable medical equipment benefit is limited to \$2,000 maximum per calendar year for services from PHCS network and nonparticipating providers combined, excluding diabetic testing supplies and equipment.

¹⁷Home health care is limited to a maximum of 100 visits per calendar year combined for services provided by PHCS network and nonparticipating providers. Deductible amount is limited to a maximum of \$50 per calendar year.

¹⁸Hospice care is limited to a 180-day lifetime benefit maximum for services from PHCS network and nonparticipating providers combined.

***Based on maximum allowable charge for covered services**

Payments are based upon the maximum allowable charge for covered services. Covered persons may be responsible for payment of any amounts in excess of the maximum allowable charge for a covered service.

¹Calendar-year deductible amounts are separate for services provided by PHCS network and nonparticipating providers. Covered charges applied towards the satisfaction of the calendar-year deductible may also be applied towards the satisfaction of the out-of-pocket maximum.

²Out-of-pocket maximums are separate for services provided by PHCS network and nonparticipating providers.

³Maximum benefit amount while insured is combined for services provided by PHCS network and nonparticipating providers.
